MGT501 - Management and Organizational Behavior	4 Credits	<a href="#">Description</a>
MGT599 - Strategic Management	4 Credits	<a href="#">Description</a>
MKT501 - Strategic Marketing	4 Credits	<a href="#">Description</a>
LOG501 - Managing the Supply Chain	4 Credits	<a href="#">Description</a>
BUS599 - MBA Integrative Project	4 Credits	<a href="#">Description</a>
BUS546 - Military History and Evolution of Strategic Thought *	4 Credits	<a href="#">Description</a>
BUS549 - Defense Policy and National and International Security*	4 Credits	<a href="#">Description</a>

**M.S. in Health Sciences – Emergency and Disaster Management**

MHE503 - Survey of Emergency and Disaster Management	4 Credits	<a href="#">Description</a>
MHE514 - Psychosocial Aspects of Emergency and Disaster	4 Credits	<a href="#">Description</a>
MHE505 - Issues of Terrorism	4 Credits	<a href="#">Description</a>
MHE507 - Bio-Terrorism	4 Credits	<a href="#">Description</a>
MHE509 - Emergency Planning and Methodology	4 Credits	<a href="#">Description</a>
MHE511 - Emergency Operations	4 Credits	<a href="#">Description</a>
MHE513 - Risk Assessment and Epidemiology	4 Credits	<a href="#">Description</a>
MHE599 - Culminating Projects	4 Credits	<a href="#">Description</a>
MIH560 - Fundamentals of Operating War Fighting*	4 Credits	<a href="#">Description</a>
MIH561 - Advanced Operational War Fighting*	4 Credits	<a href="#">Description</a>

**M.S. in Health Sciences – International Health**

MIH502 - Introduction to International Health	4 Credits	<a href="#">Description</a>
MIH508 - Health Policy in Developing Countries	4 Credits	<a href="#">Description</a>
MIH512 - Demography and Health	4 Credits	<a href="#">Description</a>
MIH514 - Cross Cultural Perspectives	4 Credits	<a href="#">Description</a>
MIH523 - Disaster and Humanitarian Emergencies	4 Credits	<a href="#">Description</a>
MIH527 - Environmental Health and Risk assessment	4 Credits	<a href="#">Description</a>
MHE513 - Risk Assessment and Epidemiology	4 Credits	<a href="#">Description</a>
MIH599 - Culminating Project	4 Credits	<a href="#">Description</a>
MIH560 - Fundamentals of Operating War Fighting*	4 Credits	<a href="#">Description</a>
MIH561 - Advanced Operational War Fighting*	4 Credits	<a href="#">Description</a>

**M.S. in Health Sciences – Health Care Management**

MHM502 - Health Care Finance	4 Credits	<a href="#">Description</a>
MHM506 - Health Systems Administration	4 Credits	<a href="#">Description</a>
MHM508 - Strategic Planning in Health Care	4 Credits	<a href="#">Description</a>
MHM522 - Legal Aspects of Health Administration	4 Credits	<a href="#">Description</a>
MHM525 - Marketing in Health Care	4 Credits	<a href="#">Description</a>
MHM535 - Hospital Administration	4 Credits	<a href="#">Description</a>
NCM512 - Negotiation Strategies	4 Credits	<a href="#">Description</a>
MHM599 - Culminating Project	4 Credits	<a href="#">Description</a>
MHM514 - Health Information Systems*	4 Credits	<a href="#">Description</a>
MHM501 - Management and Organizational Behavior*	4 Credits	<a href="#">Description</a>

Total credits required for the degree: 32 Credits

**M.A. in Education - Educational Leadership and Administration****Required Courses (6 Courses, 24 Credits)**

MAE502 - Psychological Foundation of Education (Teaching and Learning)	4 Credits	<a href="#">Description</a>
MAE504 - Research Methods in Education	4 Credits	<a href="#">Description</a>
MAE506 - Law and Ethics in Education	4 Credits	<a href="#">Description</a>
MAE508 - Cultural and Cross Cultural Perspectives in Education	4 Credits	<a href="#">Description</a>
MAE510 - Information Systems in Education	4 Credits	<a href="#">Description</a>
MAE595 - Capstone Integrative Seminar in Educational Leadership	4 Credits	<a href="#">Description</a>

**Elective Courses (3 Courses, 12 Credits)**

MAE507 - Strategic Educational Leadership*	<b>4 Credits</b>	<a href="#">Description</a>
MAE566 - Developing a Personal Leadership Philosophy*	4 Credits	<a href="#">Description</a>
MAE509 – Change and Transformation in Educational Organization	4 Credits	<a href="#">Description</a>
MAE516 - Case Studies: Putting Policy Into Practice	4 Credits	<a href="#">Description</a>

Total credits required for the degree: 36 Credits

**M.S. in Information Technology Management – No Concentration**

ITM525 – Management of Information Technology in Organizations	4 Credits	<a href="#">Description</a>
ITM527 – IT Security and Disaster Recovery Management	4 Credits	<a href="#">Description</a>
ITM540 – Database & Knowledge-base Management	4 Credits	<a href="#">Description</a>
ITM524 – Foundations of Information Technology Management	4 Credits	<a href="#">Description</a>
ITM580 – Strategic Planning for IT	4 Credits	<a href="#">Description</a>
ITM590 – Integrated Project (Capstone Course)	4 Credits	<a href="#">Description</a>
ITM550 – Network Planning and Administration *	4 Credits	<a href="#">Description</a>
ITM570 – Managing IT Change in an Environment of Emerging IT Technologies *	4 Credits	<a href="#">Description</a>

Plus one additional elective of student's choice 4 Credits

## US ARMY Sergeant(s) Major Academy

The following programs are specifically designed for those military personnel who have completed or will complete the US Army Sergeants Major Academy.

Courses marked with “\*” are credits awarded to the completion of US Army Sergeants Major Academy.

### MBA – Military Operations

ACC501 - Accounting for Decision Making	4 Credits	<a href="#">Description</a>
FIN501 - Corporate Finance	4 Credits	<a href="#">Description</a>
ETH501 - Business Ethics	4 Credits	<a href="#">Description</a>

SAF503 - Effective Risk Management*	4 Credits	<a href="#">Description</a>

## U.S. Army's Aviation Safety Officer Course (ASOC)

### M.A. In Education – Aviation Education

The following programs are specifically designed for those military personnel who have completed or will complete the U.S. Army's Aviation Safety Officer Course.

#### MAED – Aviation Education

Transfer 4 credits to MAED degree student must complete 32 credits with TUI

#### MAED Required Courses (24 Credits)

MAE502 - Psychological Foundations of Education & Learning	4 Credits	<a href="#">Description</a>
MAE504 - Research Methods in Education	4 Credits	<a href="#">Description</a>
MAE520 - Introduction to Adult Education	4 Credits	<a href="#">Description</a>
MAE522 - Curriculum Development in Adult Education	4 Credits	<a href="#">Description</a>
MAE524 - Adult Development and Learning	4 Credits	<a href="#">Description</a>
MAE589 - Capstone Integrative Project Seminar in Aviation Education	4 Credits	<a href="#">Description</a>

#### Aviation Education Concentration

Student transfers in MAE 555 and must take two of the remaining three courses.

MAE551 - Instructor Training Techniques in Aviation	4 Credits	<a href="#">Description</a>
MAE553 - Simulation Systems in Aviation Education	4 Credits	<a href="#">Description</a>
MAE555 - Aviation Safety Education *	4 Credits	<a href="#">Description</a>
MAE557 - Current Research in Aviation Education	4 Credits	<a href="#">Description</a>

## U.S. ARMY Engineer School

TUI University ([www.tuiu.edu](http://www.tuiu.edu)), has partnered with the U.S. Army Engineers School at Fort Leonard Wood, MO to establish a specially tailored Bachelor of Science in Business Administration degree for U.S. Army Engineers. The degree will emphasize management and leadership, providing relevant courses which develop critical thinking, writing, communication, and other skills necessary to enhance professional success.

This specialized degree is available to students awarded a 12/21 series Military Occupation Specialty (MOS) by the U.S. Army Engineer School.

### Program Features

- All programs are regionally accredited by WASC.
- All course requirements are completed online - there is no residency requirement.
- Each course is four semester credits, and the program is accelerated.
- Relevant credits for learning in the US Army Engineer School are accepted in TUI University's BSBA (Bachelor's in Science in Business Administration) with concentrations in Management/Leadership
- There is no tuition cost to the student if he or she participates in full military tuition support.
- No GRE, MAT, or GMAT entrance examination is required.
- There are no examinations in the courses, and no final comprehensive examination is given.
- There are no books or other materials required to be purchased by the students, all study materials are provided free of charge by the university.
- TUI University has the most advanced online model featuring a case-based approach.
- All student services and information technology issues are addressed within 24 business hours.

### TUI Bachelor of Science in Business Administration (BSBA) with a concentration Management/Leadership

- 120 semester credits required to complete the program.
- This program is specifically designed for those military personnel who have completed or will complete the 12/21 series Military Occupation Specialty (MOS) by the U.S. Army Engineer School.

### General Education Courses (60 Credits)

ENG101 - English Composition I	4 Credits	<a href="#">Description</a>
ENG102 - English Composition II	4 Credits	<a href="#">Description</a>
ECO201 - Microeconomics	4 Credits	<a href="#">Description</a>

ECO202 - Macroeconomics	4 Credits	<a href="#">Description</a>
MAT101 - College Mathematics	4 Credits	<a href="#">Description</a>
MAT201 - Basic Statistics	4 Credits	<a href="#">Description</a>
PHI201 – Introduction to Western Philosophy	4 Credits	<a href="#">Description</a>
POL201 – Global Politics in the Modern World	4 Credits	<a href="#">Description</a>
CHS202 – Health and Society	4 Credits	<a href="#">Description</a>

### Core Course Requirements (44 Credits)

BUS303 - Business Communication	<b>4 Credits</b>	<a href="#">Description</a>
BUS401 - International Business	4 Credits	<a href="#">Description</a>
BUS499 - BSBA Integrative Project (Capstone)	4 Credits	<a href="#">Description</a>
LOG401 – Introduction to Global Logistics	4 Credits	<a href="#">Description</a>
ETH301 - Business Ethics	4 Credits	<a href="#">Description</a>
ITM301 - Principles of Information Systems in Business and Organizations	4 Credits	<a href="#">Description</a>
MGT301 - Principles of Management	4 Credits	<a href="#">Description</a>
MGT302 - Organizational Behavior and Teamwork	4 Credits	<a href="#">Description</a>
MKT301 - Principles of Marketing	4 Credits	<a href="#">Description</a>
MGT499 - Strategic Management	4 Credits	<a href="#">Description</a>
PRM301 – Introduction to Project Management	4 Credits	<a href="#">Description</a>

### Concentration Courses

MGT401 – Leadership and Change	4 Credits	<a href="#">Description</a>
MGT420 – Power, Influence and Persuasion (Power & Politics)	4 Credits	<a href="#">Description</a>
MGT422 – Decision Making for Leaders	4 Credits	<a href="#">Description</a>
MGT493 – Capstone in Management/Leadership	4 Credits	<a href="#">Description</a>

## Joint Degree Program

The College of Business Administration and the College of Health Sciences have joined forces to offer a Dual MS-MBA program that result in conferral of a Master of Business Administration (MBA) degree and a Master of Science in Health Sciences with a concentration in Health Care Management (MSHS) degree.

### Admission Requirements

- The student needs to apply specifically to the dual degree program when applying to the university.
- The MS/MBA degree requires total of 64 credit hours, 32 credits from each program. The student may choose which program he/she completes first.
- Dual degree students must satisfy the curriculum and graduation requirements of both the MBA and MSHS programs, and follow their degree plan. CAP599, the Integrated Capstone course, must be the last course taken after the required courses in both the MSHS – Concentration in Health Care Management and the MBA program have been taken.
- Students withdrawing from the dual degree program before completing both degrees will only receive credit toward graduation for such courses that qualify toward a single degree program. In this situation students will take the capstone course for the single degree program they wish to complete (MHM599 for the MSHS or BUS599 for the MBA). The CAP599 integrated capstone is only applicable for the Dual Degree.
- The MBA and MS degrees will be awarded upon successful completion of the requirements of the entire dual degree program.

### Dual Degree Requirements

#### MBA – Masters in Business Administration (8 Courses, 32 Credits)

ACC501 – Accounting for Decision Making	4 Credits	<a href="#">Description</a>
ETH501 – Business Ethics	4 Credits	<a href="#">Description</a>
FIN501 – Strategic Corporate Finance	4 Credits	<a href="#">Description</a>
ITM501 – Management Information Systems and Business Strategy	4 Credits	<a href="#">Description</a>
MGT501 – Management and Organizational Behavior	4 Credits	<a href="#">Description</a>
MGT599 – Strategic Management	4 Credits	<a href="#">Description</a>
MKT501 – Strategic Marketing	4 Credits	<a href="#">Description</a>
OPM500 – Operation Management for Managers	4 Credits	<a href="#">Description</a>

**MSHS – Concentration in Health Care Management (8 Courses, 32 Credits)**

MHM505 – Introduction to Quality Assurance	4 Credits	<a href="#">Description</a>
MHM506 – Health Systems Administration	4 Credits	<a href="#">Description</a>
MHM522 – Legal Aspects of Health Administration	4 Credits	<a href="#">Description</a>
MHM535 – Hospital Administration	4 Credits	<a href="#">Description</a>
MIH521 – Health Program Evaluation	4 Credits	<a href="#">Description</a>
MIH527 – Environmental Health Assessment	4 Credits	<a href="#">Description</a>
MIH548 – Theory-Based Research	4 Credits	<a href="#">Description</a>
CAP599 – Integrative Capstone Course in Health Care Business Management	4 Credits	<a href="#">Description</a>

## **Community College of the Air Force**

The Air University Associate-To-Baccalaureate Cooperative (AU-ABC) Program is an initiative between Air University and TUI University to offer baccalaureate degree opportunities to every Air Force enlisted member via distance learning.

Approved TUI AU-ABC programs met the following requirements:

- Meet specific accreditation standards
- Require no more than 60 semester hours after the AAS degree for a bachelor's degree
- Deliver instruction via distance learning
- Maximize application of military credit
- Relate degree programs to Air Force specialty
- For additional information and personalized degree plans please fax CCAF transcripts to 714-816-0367 or email to [ccaf@tuiu.edu](mailto:ccaf@tuiu.edu). Please include all contact information.
- TUI will approve AIR FORCE RETIREES for AU/ABC degree with the approved CCAF Associate Degree.

TUI University is approved for the following AU-ABC programs

### **Bachelor of Science in Business Administration**

- Concentration in Degree Completion
- Concentration in Criminal Justice Administration
- Concentration in Finance
- Concentration in Human Resource Management
- Concentration in General Management
- Concentration in Information Technology
- Concentration in Logistics
- Concentration in Contract Management

### **Bachelor of Science in Computer Sciences**

### **Bachelor of Science in Information Technology Management**

### **Bachelor of Science in Health Sciences**

- Concentration in Degree Completion Health Care Management
- Concentration in Degree Completion Health Sciences
- Concentration in Degree Completion Laboratory Technician
- Concentration in Health Educator
- Concentration in Health Care Management

### **Defense Acquisition University**

The Defense Acquisition University and TUI University have established a Strategic Partnership Agreement in order to provide additional educational opportunities for students of both institutions. Through this agreement Department of Defense Acquisition Technology and Logistics (DoD AT&L) workforce personnel can transfer certain DAU completed course credits to a variety of TUI's online programs at the bachelor and master degree levels. AT&L workforce members who are students with TUI will be informed about which DAU courses that can be transferred toward which TUI degrees. As the majority of TUI students are military personnel, DAU programs will be offered as another option for their career development.

- DoD AT&L workforce member students can transfer up to 32 credits (for DAU ACE approved courses) towards the Bachelor of Science in Business Administration (BSBA), Bachelor of Science in Information Technology Management (BSITM) and Bachelor of Science in Computer Science (BSCS).
- DoD AT&L students can transfer up to eight credits (for DAU ACE approved courses) towards the Master degree in Information Technology Management (MSITM) and Master Degree in Business Administration (MBA) with concentrations available in General Management, Marketing, Human resources management, IT Management, e-Commerce and Logistics.
- Maximum transfer for Bachelor degrees would not exceed 88 credits and for Master degrees 8 credits.
- Students should present documentation to TUI Advisement Center for assessment.

### **Navy College Program Distance Learning Partnership (NCPDLP)**

NCPDLP is a program designed to assist every sailor in earning a college degree while serving in the Navy. As a partnership school in NCPDLP TUI University offers rating-related degree programs designed to meet the educational needs of sailors based on their military training and their educational goals.

TUI University works with military students to maximize transfer credit including ACE recommended credit for military training and credits for standardized exams. TUI will also accept transfer credits from accredited colleges and/or universities, or its equivalent.

For additional information and personalized degree plans please fax SMART transcripts to 714-816-0367 or email to [navysoc@tuiu.edu](mailto:navysoc@tuiu.edu). Please include all contact information.

## MBA AFSNCOA

US Air Force SNCO Academy Graduates and Future Graduates:

May earn their fully accredited MBA degree in Military Operations online from TUI University (formerly Touro University International). If the military college graduate qualifies for full military tuition support through the Base or Post Education Office, there is [NO TUITION COST](#) to the student. Click below for specific details about this situation.

### Program Features

- All course requirements are completed online - there is no residency requirement.
- The degree is a highly specialized, fully accredited MBA in Military Operations.
- Relevant credits for learning in the AFSNCOA programs are accepted in the TUI University (formerly Touro University International) MBA in Military Operations.
- There is no tuition cost to the student if he or she participates in full military tuition support.
- No GRE, MAT, or GMAT entrance examination is required.
- No final comprehensive examination is given.
- TUI University (formerly Touro University International) has the most advanced online model featuring a case-based approach.
- Grades are determined by case submissions - there are no examinations.
- Students may conference with professors whenever the need arises.
- All student service and information technology issues are addressed within 24 business hours.

### TUI Master of Business Administration in Military Operation

This program is specifically designed for those military personnel who have completed or will complete the US Air Force NCO Academy.
