Tuition Deferral Policy

TUI University (TUI) will defer 50% of the tuition during a session under the following circumstances.

1. The student makes payment for the portion of tuition not deferred at the time of registration for the session.
2. The amount of tuition deferred cannot exceed 50% of the total student's tuition for that session.
3. Full payment of the deferred tuition is to be made no later than the beginning of the seventh week of the session. (December 28, 2009).
4. The student agrees to be responsible for timely payment of tuition at the end of the deferral period.

Student Name: _____

TUI Student ID #: _____

Degree Program: _____

Deferral Session: _____

Amount of Tuition Deferred: _____

I, _____, have requested that _____% of my tuition for the indicated session is to be deferred. I will be personally responsible for that tuition and will pay that tuition in full. Should I withdraw from the session or from TUI University prior to the end of the indicated session, I will be responsible for any tuition not subject to refund according to the TUI University policy on tuition refunds as stated in its official catalog. I further agree to pay the non-deferred portion of the tuition for the indicated session prior to the start of classes for that session.
